Classroom Policies:

1. This classroom operates as a community; as such both the teacher and the students will compose the rules of this class. The following rules are to be followed at all times:
 - The Golden Rule (Do unto others as you would have them do unto you)
 - Be aware and engaged in your surroundings at all times
 - Clean up after yourself and others
 - Failure to follow any of these rules will result in the consequences outlined in the LCHS discipline protocol
2. Missing instructional time puts you at a disadvantage for passing this course so it is of the utmost importance that you make every effort to be in class and **BE ON TIME!** Being tardy to class not only places you at a disadvantage for missing class time, but also interrupts the instruction already in progress. Tardies will be handled per the LCHS discipline protocol.
3. **Hall passes** are a privilege, not a right. You will be given four hall passes to be used at your discretion for each semester. These passes should be used for emergency situations. If you choose to use one of your passes, you must sign out next to your name and take the hall pass.
4. Work is considered late if it is not turned in the moment it is due. Students will have three days to make up missed work due to excused absences for full credit. The maximum grade for **make-up work** due to an unexcused absence is 70.
 - Homework is due at the beginning of class or otherwise specified.
 - Tests/Quizzes must be made up the day the student returns from the absence. Make up tests/quizzes are subject to be in an essay format. (At teacher discretion)
 - Projects must be turned in on the due date specified by the teacher, even if the student is absent.
 - If you are absent, it is your responsibility to check the absent work folder for any assignments
5. **Technology** use is not a given in the classroom. The use of technology in the classroom is up to the discretion of the teacher and the activity being completed. Whether or not to use technology will be denoted by the technology sign at the front of the room. The following are the expectations that accompany each level:
 - **NO Tech:** Technology should be put away and turned off. This can be used during testing, listening to directions, and individual or group assignments. Use of technology on this level will result in detention and the device being turned in to the office to be picked up by a parent or guardian.
 - **BYOT Day:** Whispering and headphones are appropriate. You should always be able to hear the teacher for additional instructions during this time. At no point in time should I hear your music. During this time technology use should be contained to completing the assigned work. Failure

to maintain technology use within these guidelines will result in the device being taken and turned in to the office for a parent or guardian to pick up.

Academic Dishonesty:

Academic dishonesty of any sort will not be tolerated. Cheating is defined as giving or receiving any form of information related to a graded assignment and /or concealing or attempting to conceal and use information related to a graded assignment.
