### Course Info

Prerequisite: Introduction to Business & Technology  
Business and Technology is designed to prepare students with the knowledge and skills to be an asset to the collaborative, global, and innovative business world of today and tomorrow. Mastery use of spreadsheets and the ability to apply leadership skills to make informed business decisions will be included in this course. Publishing industry appropriate documents to model effective communication will be demonstrated through project based learning. Students will use spreadsheet and database software to manage data while analyzing, organizing and sharing data through visually appealing presentation. Various forms of technologies will be used to expose students to resources, software, and applications of business practices. Professional communication skills and problem-solving skills will be used to become college and career ready.

### Consequences

- 1st Offense — Verbal Warning
- 2nd Offense — Student Conference/Seat Change
- 3rd Offense — Parent Contact/Conference
- 4th Offense — Office Referral

Grades

Semester Exams are 20% of Final Grade. The semester average will count as 80% of the final grading calculation.

Semester Exams can be exempted if requirements of the handbook are met.

FBLA

Future Business Leaders of America — Membership dues \$35

Future Business Leaders of America (FBLA) is the largest career student organization in the world. Each year, FBLA-PBL helps over 230,000 members prepare for careers in business. Our mission is to bring business and education together in a positive working relationship through innovative leadership and career development programs.

## Recording Consent Statement

Recording a meeting without the consent of all participants may be illegal and actionable. You should obtain consent to record a meeting from all participants, including external guests and guests who join late.

.....

## Semester Grading Statement

Grades are semester long (no longer two, 9-week grading periods averaged together) and based on class participation, class work, homework, tests, quizzes, formative assessments, and any special project that the classroom teacher may assign. This portion will count for 80% of the semester final average. Final exams or an End of Course Milestones Test will be given at the end of each semester and will count 20% of the semester average. See the LCHS Handbook for the semester exam exemption policy.
