**4th block 1:41-3:15**

Due to testing irregularities,  
assessments will not be released prior to  
the date listed above.

### Guidelines/rules

1. If you have two courses in the same department (2 sciences), you will take one on the scheduled day and one on the makeup day.
2. All courses will have a final exam. The exam is **cumulative and counts for 20%** of the student's final average for the current semester.
3. Only students meeting the exemption policy are eligible to be exempt (PBIS initiative). Our exemption policy is in place to reward the students who meet the criteria outlined in the student handbook.
  - a. Exemption Policy: Students may exempt semester exams for subjects in which exemption criteria are met. The criteria for exemption eligibility are as follows:

Class Average	Absences
Passing	5 or fewer

Students assigned **in-school suspension** or **out-of-school suspension** are **not** eligible for exemption. **For the purpose of exemptions only, two unexcused tardies equal one absence.** Absences that are excused by the Co-Curricular, Military, Non-Instructional days or Administrative days do not count against the student for exemption purposes. All other absences count for exemption purposes (Medical, Legal, Excused & Unexcused). Students exempting exams will receive the average of their two nine weeks for the semester exam grade. Your attendance is in the portal
  - b. EOC , EOPA, AP courses are not eligible for exemption.
  - c. Only the classroom teacher can confirm if a student meets the criteria outlined.
  - d. Students **do not** have to be present during the exam they are exempting, **UNLESS** they are already in the building and have no way home during the exam period. Teachers will mark students absent during the exam if they were **required to take the assessment and were absent**. An exemption will not be revoked due to a marking of "absent" during the final exam time. **We will not count/take attendance during the review session times.** However, if a student is on the campus, they will need to be in the appropriate locations.
4. Students must be on time for each exam. Tardy students may receive a zero for the exam. Students may arrive early and wait in the cafeteria.
5. The dress code will be enforced.
6. Bus transportation will be provided as normal - before and after school.
7. **Students will not be required to check-in/out during the exam days.** If students have their parents' permission to leave campus, they will need to communicate alternate transportation times prior to arrival. The front office will not be allowed to contact classrooms during the day due to various testing situations. Students will not be allowed to leave a testing room until the end of the scheduled class time.
