Lee County High School announces commencement ceremony for the Class of 2020

June 13, 2020

We are excited about plans to offer seniors the three options outlined in the newsletter dated May 8, 2020. Remember these are the students’ options. We hope seniors will participate in all three options. Please be sure to submit pictures for Option #1, Virtual graduation. We have to provide all information and pictures to the professionals developing the virtual ceremony by May 18th. The details for Option #2, the parade will be released by Tuesday, May 19th for students planning to participate. For students who chose to participate in Option #3, in-person graduation, plans are underway to provide this opportunity.

A traditional graduation ceremony for the Class of 2020 will be held June 13 at 8:30 am at the Lee County High School Stadium pending guidance from state officials and healthcare experts.

As with all decisions being made during this challenging time, we are working diligently to honor and celebrate the Class of 2020 while also ensuring the safety of everyone involved.

Dress Requirements for Commencement:

All graduates will wear the official Lee County High School cap and gown provided by Jostens Company. Hanging the gown on a clothes hanger several days prior to graduation will eliminate wrinkles. The gown should not be ironed.

- **Girls** should wear black dress shoes (no tennis shoes, boots, or flip-flops), a solid-colored dress.
- **Boys** should wear dark dress shoes, dark socks and a white shirt.
- Only school approved honor cords, stoles, or medals may be worn during. No other accessories are allowed.
- Administrators will make sure each senior’s attire is appropriate.

Details for the face-to-face ceremony will be provided June 8, 2020.
