

School-Parent Compact Lee County Primary School 2021-2022

Dear Parent/Guardian,

Lee County Primary School students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

JOINTLY DEVELOPED

The parents, students, and staff of Lee County Primary School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to complete school surveys to give input on curriculum nights for parents. Parents are also encouraged to participate in the annual Title 1 parent survey that is also used as a tool to collect parent feedback regarding the current Title 1 programs and policies.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

LEE COUNTY PRIMARY SCHOOL GOAL:

During the 21-22 school year, our goal is to decrease the percentage by 3% of students scoring at level 1 (minimal progress) on the priority standards of English Language Arts on the Lee County School System Report Card.

To help your child meet the district and school goals, the school, you, and your child will work together to:

SCHOOL/TEACHER RESPONSIBILITIES:

Lee County Primary School will provide families with monthly newsletters that feature information from each grade level. The newsletter will explain the standards being taught during the month as well as giving tips to parents to help at home. PBIS expectations will also be addressed in the monthly newsletter. Along with the newsletter, LCPS will provide

four family engagement nights. Each quarter our families will be encouraged to attend. During these events, teachers will demonstrate curriculum/standards being taught in all areas of the curricula.

PARENT RESPONSIBILITIES:

We, as parents, will read the class/school newsletter and participate in the family engagement nights.

STUDENT RESPONSIBILITIES:

Students will bring home the grade level newsletter each month and give parents all information about the family nights.
