

# We are listening to Lee!

Families and Community Members:

Please plan to join us at the [Lee County Board of Education building](#) on May 7th for an open discussion that will enable us to continually strengthen Lee County School System's partnerships among families, community members, and business as we strive to improve the education of our children. This will **NOT** be your typical boring meeting! We will share some information with you, but we want to hear from you. Please come prepared to talk and share ideas. Light refreshments will be provided as well as materials for helping your children at home.

Come by on your lunch break (you can bring food in if you like) from 12:00-1:00

OR

Stop by in the afternoon from 5:30-6:30.

We look forward to seeing you!
