

The School District (“District”) shall not tolerate fraud of any kind and has an established system for the reporting of suspicious activities.

“Fraud” is defined as a false representation of a matter of fact, whether by words or by conduct, or by concealment of that which should have been disclosed, that is used for the purpose of misappropriating property and/or monetary funds from federal, state, or local grants and funds.

Employees and parties maintaining a business relationship with the District who suspect fraud, whether it pertains to federal, state, or local programs, should report their concerns to the Superintendent or his/her designee. If fraud is suspected by the Superintendent, such allegations should be reported to the Chair of the Board of Education.

All reports of suspected fraud shall be handled under the strictest confidentiality allowed under the law. Informants may remain anonymous as allowed by law but are encouraged to cooperate with investigators and to provide as much detail and evidence of the alleged fraudulent act as possible.

Any and all reports of suspicious activity and/or suspected fraud will be investigated. Results of an investigation shall not be disclosed to or discussed with anyone other than those individuals with a legitimate need to know until the results become subject to public disclosure in accordance with state and/or federal law.
