

SPECIAL USE OF SCHOOL BUSES

Date: August 10, 2015

School buses are used primarily for transporting public school students to and from school. The Superintendent or designee may approve the use of school buses for the following additional activities:

1. All school-related activities.
2. Transportation for the elderly, for persons with disabilities and for 4-H activities, provided that the costs of transportation are fully reimbursed by the group using the buses.

Requests for any other use of school buses must be in compliance with state laws and must be approved by the Board of Education.
