

BOARD POLICY

Descriptive Code: IFAB

**MEDIA PROGRAMS: USE OF VIDEO TAPES AND
OTHER MEDIA**

Date: March 14, 2005

Videotapes, DVD's and other electronic video may be used in the classrooms for instructional purposes only. The use of these various media must be tied directly to age and grade-level appropriate curriculum objectives established by the State Board of Education Curriculum and the Lee County School System. Only electronic media catalogued in the Media Center may be used in the classroom, unless the media is approved in advance and is in compliance with established administrative procedures.
