

**BOARD POLICY**

**Descriptive Code: IHA**

**GRADING SYSTEMS MINIMUM PASSING  
SCORE**

---

**Date: March 14, 2005**

The Lee County Board of Education believes that uniformity in the assignment of grades must be maintained for all courses/subjects taught in grades 3-12 including Art, Music, P.E. and Health. Therefore, the Board establishes as policy the minimum passing score of 70 in all courses taught in grades 3-12.

For all courses/subjects taught in grades nine through 12 (9-12), the school will record and maintain numerical grades in those courses for which credit is given.

The following method will be used in equating letter grades to the numerical passing score of 70 in courses taught at grades three through eight (3-8) where letter grades are given.
