

The Lee County Board of Education, in order to implement the requirements of Official Code of Georgia § 20-2-771.2, establishes a school health nurse program for the system.

- The program will be staffed by licensed health care professionals and others whose duties will be set forth in job descriptions to be prepared by the superintendent and approved by the board.
- The superintendent shall be responsible for developing other regulations which may be necessary, in combination with the job descriptions, to implement this program. These regulations shall comply with any and all rules implemented by the State Board of Education, the Department of Human Resources or any other state agency with jurisdiction or authority over any aspect of services to be provided or which may be provided to students under the above referenced code section.
- In developing job descriptions and regulations under this policy, the superintendent and staff may consult with health professionals knowledgeable in children's health issues to assist in establishing the standards and procedures for the program.
- All employees performing services under this policy shall be subject to the restrictions set forth in Official Code of Georgia § 20-2-773, specifically, none of the following health services shall be provided to public school students pursuant to this policy: (1) Distribution of contraceptives; (2) Performance of abortions; (3) Referrals for abortion; or (4) Dispensing of abortifacients.
