

It is the policy of the Lee County Board of Education that the School District shall comply with the requirements of the Family Educational Rights and Privacy Act (FERPA) and the Student Data Privacy, Accessibility, and Transparency Act of Georgia (the Act). For the purposes of this policy, a “parent” is defined as a natural parent, a guardian, or an individual acting as a parent in the absence of a parent or guardian. An “eligible student” is defined as a student who has reached 18 years of age or is attending an institution of postsecondary education.

The Superintendent shall implement procedures whereby every principal is directed to develop a means to notify, on an annual basis, parents and eligible students, including parents or eligible students who are disabled or who have a primary or home language other than English, of their rights under the FERPA and the Act, either through a student handbook distributed to each student in the school or by any means that are reasonably likely to inform them of their rights. Generally, a parent or eligible student will be permitted to obtain a copy of the student’s education records upon reasonable notice and payment of reasonable copying costs.

#### **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

Confidentiality of student records shall be preserved while access is provided to parents, eligible students, and school officials with legitimate educational interests, as described in the annual parent notice.

With the exception of directory information as defined below, personally identifiable information will not be released by the school district from an education record without prior written consent of the parent or eligible student, except to the extent authorized by the FERPA and its implementing regulations at 34 C.F.R. § 99.31.

The Lee County Board of Education designates the following information as "directory information."
